

MIT's Facility Solutions Pvt. Ltd.

WHO WE ARE

**25+ YEARS OF
EXPERIENCE IN
MANPOWER
MANAGEMENT**

We started in 1998 as a Security Agency in Thane City. The company grew rapidly, providing services to prestigious brands throughout the Mumbai area. Partnering with thoroughly-vetted service providers in various locations, our reach expanded to Maharashtra, Gujarat, Karnataka & Telangana.

Over time, our service quality and reliability prompted many of our clients to ask whether we could offer more services. Hence, in 2020, we started, MIT's Facility Solutions Pvt Ltd with a clear vision of helping our existing clients and exploring horizons with the rest of the market.

MIT's top management is made up of young entrepreneurs with relevant expertise and exposure in the domain. And having been trusted by Industry leaders, We are aspirational of permeating the majority of facility solutions market.

WHY CHOOSE US

UNMATCHED QUALITY:

We take support one step further by tailoring our services to suit your standard, expectations and overall facility dynamics, specific to the type of establishment.

UMBRELLA SERVICES:

We provide a mix of services suited to personal and business owners under one roof.

NOT JUST MINTING MONEY:

We're passionate about what we do. What sets us apart from the competition is that we're passionate about the services we provide and quality of support.

REACT TO YOUR ACT:

We welcome and act on your feedback.

We're always looking to improve every aspect of our business and ensure that our client promoter score is always high from more features all the way to more frequent tutorials.

LEGACY OF WORK FORCE MGMT:

Although MIT's Facility Solution is a new venture we have an experience of 25 years in manpower management.

MIT's FACILITY SOLUTIONS PVT LTD provides a complete range of facilities services, which includes:

- **HOUSE KEEPING:** Clean working environment stimulates a healthy working environment, easily motivating and engaging employees & associates.

It is conducive to the overall productivity of the company and we at MIT's totally understand this.

- **SECURITY SERVICES:**

People, Property & Processes protection are the fundamentals of securing any organization and its place of operations. All our guards and attendants are licensed and trained to handle both regular and emergent situations. We at MIT's make no compromise in the quality of manpower we hire.

- **FACADE CLEANING:**

A Building Facade Cleaning presents a more hospitable front and therefore it is more attractive real estate prospect to the public. Facade cleaning system also helps to remove the harsh pollutants that might affect the facade in the long run. At MIT's we have a team which is dedicated towards making your work front crystal clear and posh.

- **DEEP CLEANING:** Deep cleaning is not your ordinary kind of cleaning, and should be done only by highly-experienced professional cleaners. You need their services in extremely tough situations where restoring a property to its original condition before the unexpected emergency seems to be impossible. We at MIT's have highly trained people on our roll to fulfill such requirements.

- **PANTRY MANAGEMENT:**

Backed by an experienced team of professionals, we at MIT's are able to offer excellent Pantry Management Services. These services are offered for providing the solution for maintaining the pantry tidy. The services are executed by well-trained staffs that are aware of the importance of keeping the pantry dry, clean and tidy and have been trained for their behaviour.

- **ELECTRICIAN AND AIR CONDITIONING SERVICES :**

Effective and efficient are two words that maintain the equilibrium of utility services expertise.

MIT's offers a holistic package of air conditioning and electricity service, repair, maintenance, supply and fitting across business environments for work spaces, leisure activities and more.

- **PEST CONTROL SERVICES:**

Rodent emergency is bigger than a business emergency. Not anymore! We at MIT's offer a rapid & effective solution to all your pest issues.

- **GARDENING, LANDSCAPING & HORTICULTURE SERVICES :**

Grounds and landscaping around your buildings are the potential avenues to give a positive first impression to your clients.

We at MIT's offer full range of hard and soft landscaping services to ensure that your property is in the very best condition.
